## Ownership and Intellectual Property

Konektr retains all rights to the Services and related intellectual property. Users gain no rights other than those explicitly stated in these Terms.

## Platform Nature and Currency System

Konektr encourages engagement through features like live streaming and direct messaging, utilizing in-app claps and credits to reward creators. These credits are intended for in-platform use only and are not withdrawable as real currency.

## Grant of Rights to Konektr

By sharing content on Konektr, you grant us a broad license to use, modify, and distribute your content within the Services. This includes the right to syndicate, publicly perform, and create derivative works without financial obligation to you. These rights continue even after termination of your use of the Services.

Content shared on Konektr is considered non-confidential, and you waive any rights to privacy, publicity, or other protections regarding your content. Konektr takes no responsibility for third-party sites linked to or from our Services.
