

Konektr Community Guidelines

1. Overview

Konektr is committed to maintaining a fun, healthy, and safe community for all users and has developed a set of community rules for this purpose. In the event of a violation of any of the community rules listed below discovered, Konektr will impose penalties based on the severity of the violation. The content referred to in the community rules includes any content that can be seen, heard, and/or referenced, any text or image posted in the comment area, and any information posted or contained in a Konektr personal profile.

Konektr users are expected to take these rules seriously and understand and respect the spirit behind these rules, to jointly create a friendly and safe platform with Konektr together.

2. General Rules

- 2.1 Konektr users must comply with the following regulations. Failure to do so is subject to penalties. The severity of the violation is determined by Konektr's official, overall assessment based on objective factors such as content, intent, time, and the offending party.
- 2.2 When streaming, broadcasters are obligated to ensure the stream environment is fun and enjoyable. They are responsible for all content while streaming, including viewers joining the privat video calls and/or content shars via posts. In case of any violation, Konektr will officially penalize the violator and the broadcaster based on the circumstances.
- 2.3 Konektr is only provides live streaming services and disavows any connection with the commercial activities of other platforms.

10. Risk Control Policy

In order to ensure a fair, healthy, and orderly community environment, the community manages community users' behavior in accordance with a certain standard. The following violations are not exhaustive. Konektr provides two channels for discovery of violations, namely the proactive detection by the platform, and reporting by users. Konektr has the right to take measures on the accounts discovered to be involved in a violation and restrict the platform functions available to the accounts in accordance with the rules. Such measures include login and registration prohibition, account suspension, and restrictions for joining in activities, and platform function restrictions include cash withdrawal and gold transfer prohibition, freezing of golds, and confiscation and bans of the virtual currency and gifts held by the accounts.

- 10.1 A single user using too many accounts or devices may increase their own integrated risk index. The platform has the right to suspend or take other measures on the sockpuppet accounts that it deems highly risky.
- 10.2 Users shall not exploit abnormal means to join in activities such as registration, login, recharging, following, grabbing a treasure chest, and offering a reward. The platform will take actions with the utmost seriousness on any accounts involved in such violations and the illegal gains therefrom.
- 10.3 The platform strictly prohibits rule-breaking transactions that are made possible through non-normal channels. Such transactions include, but are not limited to, buying and selling virtual currencies or followers against the rules, and joining in activities against the rules. The platform has the right to take actions on any rule-breaking accounts discovered to be involved in such violations and the illegal gains therefrom.
- 10.4 Credit card frauds, money laundering, and malicious refund are considered serious financial violations. The platform has the right to urgently freeze any accounts discovered to be involved in such violations and the illegal gains therefrom, and will take corresponding measures with the utmost seriousness.
- 10.5 Users have the obligation to protect their privacy information, including but not limited to, account passwords, and credit card numbers. In the event of a stolen user personal account or a credit card fraud among other circumstances, the platform will assist the user in the investigation at the expense of the user for related fees and property losses.

11. Privacy and Security

Konektr respects the privacy of others. We strive to ensure the security of the information we share. Unauthorized use of private information will be evaluated by Konektr.
